STUDY TEAM PARTICIPANTS

In order to complete a study of this magnitude, many people donated their time, energy, and experience. Their willingness to do so is greatly appreciated by the authors of this study. These volunteers represent many fields and professions and include geologists, librarians, professors, teachers, park managers, museum directors, tribal planners, business leaders, and retirees, just to name a few.

Project coordination and organization

Keith Dunbar
*Columbia Cascades Support Office
National Park Service, Seattle, WA*

Jim Sipes, Project Manager
Jones & Jones, Seattle, WA

Reed Jarvis, Project Consultant
Jones & Jones, Seattle, WA

Jim Sheldon, IAF Task Force Chair
USDA Forest Service Region 1, Missoula, MT

Dale Middleon, President
Ice Age Floods Institute, Seattle, WA

Appendix C—Study Team Participants

Glacial Lake Missoula

Larry Lambert, Co-Chair
Missoula, MT

Kathy Thomas, Co-Chair
Missoula, MT
